Ferret Toys: Keeping Pet Ferrets Happy

Synopsis

We ferret owners are all a little "crazy" when it comes to our fuzzy kids. Just as we do for our human children, we want the best, most-stimulating toys we can afford for our pet ferrets. But how do we wade through the thousands of choices and the many manufacturers. And where is the best place to get ferret toys? And what about homemade toys? These are the questions this little book, *Ferret Toys: Keeping Pet Ferrets Happy*, will answer. You will find out:

- * How to choose ferret toys wisely, both ferret-wise and money-wise
- * How to choose toys that will engage your ferret's senses and keep him active and interested
- * How to know whether a toy is safe for your ferret
- * The top ferret-toy manufacturers
- * The best places to buy ferret toys
- * How to create inexpensive and fun homemade ferret toys (with step-by-step directions)
- * How to take care of your ferret's toys so they will last longer and be safer

While you're at it, be sure to check out Karen's more comprehensive book on ferret care, ferret health, and ferret toys: *Getting Started with Pet Ferrets*.
