Build Your Own Burger

Synopsis

Want to take your burger making skills to a whole new and exciting level? Let Build Your Own Burger show you how. This fun and practical guide to creating delicious and original burgers has literally thousands of combinations. In this inventive and fun format, ingredients are split into four categories - the buns, the sauces, the patties, and the toppings - each image presented in its own panel. Mix and match the panels to create your ideal burger. A comprehensive section covers the basics, including equipment, ingredients, and troubleshooting tips to get you started. The tasty-looking photography and the clever format will inspire cooks to create unique and mouth-watering flavor combinations such as: A fiery Chili Bun with a Beef Jalapeno Patty, topped with Sweet Chili Mayo and a Cooling Cucumber Salad or an Olive Ciabatta bun with a Field Mushroom Patty, topped with Vine-Ripened Tomato Salsa and Grilled Halloumi. With easy-to-follow recipes and photographs of all the elements, even a beginner can create luscious burgers in no time at all. Filled with burger ideas for any occasion and every palate, this really is the only burger book you'll ever need.

Book Information

Hardcover: 96 pages

Publisher: Sellers Publishing Inc; Spi edition (April 14, 2015)

Language: English

ISBN-10: 1416245545

ISBN-13: 978-1416245544

Product Dimensions: 6.7 x 0.8 x 8.3 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 starsÂ | See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #541,489 in Books (See Top 100 in Books) #183 inÂ Books > Cookbooks, Food & Wine > Main Courses & Side Dishes > Burgers & Sandwiches

Customer Reviews

I don't get why the other reviewer gave this book such a poor reviewÂ | This title is in no way "gimmicky", but remarkably unique. You can make over 60,000 burger combos!!! That's a lot different choices. I created a pineapple-soy sauce-barbecue creation this past weekend that the whole family LOVED!!! Take it from a guy who like to grillÂ | pick up this book now, before it SELLS OUT!

The recipes and the burgers look good but the format of the book is a gimmick. It reminds me of a children's book that had split pages to create silly imaginary animals. This book will not hold up to a lot of page turning and I suspect would be badly damaged in a normal bookstore where browsing is common. The information for the recipes could have been presented differently.
