It's A Wonderful Christmas: The Best Of The Holidays 1940-1965

Synopsis

Even now that we're all grown up, we can't help but look back on our childhood holidays and hope to recapture that elusive spirit of joyful anticipation. Celebrating Christmas is so often about nostalgia. With a nod and a wink to the days of Christmas past, *It's a Wonderful Christmas* presents classic images of the Yuletide icons of mid-20th-century America. Bubbler lights and glow-in-the-dark icicles. Catalogues crammed with toys. Norad bulletins tracking Rudolph's red nose through the nighttime sky. Along with hundreds of such quintessentially American illustrations, author Susan Waggoner stocking-stuffs her lively text with fascinating bits of information, lore, and lists. Wonder what the all-time most popular Christmas song is? How the tradition of the department store Santa got started? The answers are here. Loaded with images of vintage Christmas cards, wrapping paper, magazine ads, Lionel toy trains, and more, all in full color, this charming book will appeal to anyone who associates Christmas with home movies, "The Chipmunk Song," and Santa relaxing with an ice-cold bottle of Coca-Cola.

Book Information

Hardcover: 104 pages

Publisher: Stewart, Tabori and Chang (October 1, 2004)

Language: English

Customer Reviews

IT'S A WONDERFUL CHRISTMAS was given to me by an old friend last December 25th, and I really dig it. The book is subtitled, "The Best Of The Holidays 1940-1965" and if you have Christmas memories that fall within that time frame (as I do), you will enjoy it all the more. Susan Waggoner does a nice job of organizing and revisiting so many of the heartwarming aspects of The Ghost Of Christmas Past. The pages are awash in bright color - this IS Christmas afterall - and the book is lavishly illustrated with photos and old print ads that will bring out the lost little boy or girl in all but

the most cynical among us. IT'S A WONDERFUL CHRISTMAS covers most of the secular joys and traditions that we associate with America's grandest holiday. There was only one category that Waggoner surprisingly missed, and that was our love for Christmas-themed movies and television programs. Granted, most of the classic Christmas TV specials were produced after 1965, but still 'A CHARLIE BROWN CHRISTMAS' ('65) and 'RUDOLPH THE RED-NOSED REINDEER' ('64) fall within the target, and so do many of the popular Christmas movies, the viewing of which has become an important part of the Christmas celebrations in the majority of households. Waggoner missed a great opportunity to relate how America's favorite Christmas movie, 'IT'S A WONDERFUL LIFE' (which she even borrowed for the title of her wonderful book), started out as just a sketchy little story used as a Christmas card by its writer, Philip VanDoren Stern. The only other less than glowing comment I have to make is that the book comes to a strangely abrupt ending. One minute we're reading about Christmas candies, and the next minute the book has come to an end. You see? Just like that, it's over!
