Customer Reviews

i got this for my sister and she loves how it not only gives step by step instructions but also illustrates with pictures to show you what to do. Good for those looking for a job but dont want to go to college to learn computer operations. Most jobs today require some type of computer experience other than texting or email. This will help. Also, try the Excel book and Power Point.

I DO KNOW HOW TO DO ALL THE THINGS IN THE BOOK, JUST WANTED A REFRESHER COURSE. PRODUCT WAS STRAIGHT FORWARD AND EASY TO UNDERSTAND. THANKS SO MUCH..WILL KEEP YOUIN MIND FOR THE FUTURE.

Bought this for a replacement as my friend loved this book so much that I gave it to her. You can find things and the pictures are in color and very helpful.

User friendly, practical and easy to understand. Would definitely recommend to interested parties thru . Perfect guide and learning tool
