Tea Fit For A Queen: Recipes & Drinks For Afternoon Tea

Synopsis

Enjoy a spot of tea and delectable cakes inspired by the rich, royal history of London's most iconic palaces. Filled with recipes that have stood the test of time as well as fascinating anecdotes and tales, *Tea Fit for a Queen* reveals how the tradition of afternoon tea started in royal Britain. More than 40 charming recipes include everything from delicate finger sandwiches to Victoria sponge cake, Chelsea Buns, and a Champagne Cocktail. In these pages learn about the royals and their connection to the history of tea, why jam pennies were Queen Elizabeth II's favorite tea time treat, and how mead cake came to be served during Henry VIII's reign. Discover what cake William and Catherine selected for their wedding and hear why orange-scented scones became a royal tradition at Kensington Palace. *Tea Fit for a Queen* presents a taste of palace etiquette to take home. Includes metric measures.

Book Information

Hardcover: 128 pages

Publisher: Ebury Press (September 15, 2015)

Customer Reviews

Lovely elegant recipes with intelligent background from historian Lucy Worsley. The photos are mouth-watering and far less high-calorie than actually making any of the dishes. The only caveat I have is that the recipes are designed for an English audience, so they'll require a fair amount of translation for American cooks -- ingredients are given in grams rather than cups or teaspoons, oven settings are in centigrade, and some of the ingredients are not really obtainable in the U.S. (Is golden caster sugar the same as brown sugar? Not sure.)

Interesting "tea" history along with excellent recipes.

Wonderful little book to create the perfect Royal Tea Party!

gift for English friend

Adorable
