I have gone "craft crazy" and have purchased so many craftmagazines and books, but Better Homes and Gardens regularissues really have so many ideas that I knew this would be goodtoo. It was good, not great. Just one more addition to my everexpanding craft bookcase.

This is a lovely book. Contains all my favourite parts of the BGH website for seasonal crafts and

recipes. This is my idea of Christmas.

I like the book and find it useful. It offers simple ideas that can be varied in many ways. I looked for Xmas ideas that could help me organise inspiring pre-Christmas period with my 3-year old son. It helps.
