Southern Coastal Home Landscaping

Synopsis

Southern Coastal Home Landscaping is the latest addition to Creative Homeowner's award-winning, best-selling series of regional home-landscaping books. Readers will find inspiring ideas for making the coastal home landscape, with its special challenges of salt air and high winds, among others, more attractive and functional. The 38 featured designs are created by landscape professionals from the region and use more than 175 plants that thrive in the demanding coastal environment. Detailed instructions for projects such as paths, patios, ponds, and arbors are also included. Over 350 full-color photos and paintings are complemented by easy step-by-step instructions. States: AL, FL, LA, MS, TX

This is a terrific book for sunbelt gardeners combining practical and effective design ideas with excellent horticultural advice. It is clear that the authors not only enjoy gardening, but that they love to create beauty. The book is filled with useful illustrations and photos that inspire one to build and maintain a garden - a beautiful garden - in large and small spaces. This is a great gift book as well as a must have for a southern gardener.

Lots of great gardening ideas and details on how to maintain. I bought a similar book for my daughter-in-law for the region of the country where they live. They were truly inspired by it.

Really good pictures and info of most common,hardy plants for my area... Beaufort, SCAnd, great landscaping ideas!

One of the gardening books that is really relevant To my region. Creative .

Very comprehensive for planting in the Lowcountry of coastal South Carolina.
